Response to Amendment/Letter – Notice of Non-Compliant Amendment

1. The amendment filed 6/9/2003 is non-compliant, because it is unclear what is introduced and removed from the claims, there are words double underlined, some words already present in the original claim also underlined. It is further noted, in reviewing briefly the Remarks, the Applicant did not provide drawings, including marked up drawings in red to show changes, and appears that the Applicant might be introducing new matter if the changes outlined in the specification and drawings are implemented.
